Dear Ms McCabe:

Please be advised that we are in receipt of your voluminous FedEx package delivered today. While I have not had time to digest it in its entirety, it seems to me you are asking the courts to cancel our domain name (NFINX.COM) because of some trademark infringement regarding Herbalist & Alchemist/ Herbal Alchemist.

Please be advised that pursuant to your initial request to us several weeks ago, we removed all references to any Herbal Alchemist products from our website. NFInx is a marketplace showcasing many different brands and Herbal Alchemist was just one of those brands. We no longer do business with nor market and Herbal Alchemist products.

Furthermore, NFInx Inc. does not now, nor has it ever had any relationship with a Will Clarent.

We request that you immediately cease any attempts to cancel our domain as we have complied in full with your request.

Regards,

R. Moniz
President
